PLEASE REVIEW AND SIGN OUR PRACTICE POLICIES

Insurance Information/Assignment of Benefits.....Patients are required to provide DENT with current and accurate insurance information at every visit. Your **FAILURE** to provide us with accurate information will result in a patient bill that you may be held responsible for. By signing below, you authorize DENT to furnish information to insurance carriers concerning your illnesses and treatments and hereby assign all payments for medical services rendered to you or your dependents to Dent Neurologic. Furthermore, you will be held responsible for any amount not covered by your insurance plan.

Co-Pay, Deductibles, POS Plans, Private Payments and Unpaid Balances.....In accordance with the provision of your insurance plan, you may be required to pay for a portion or all of your medical services. As a result, if you have a co-pay, deductible, or Point of Service Plan or you are a private paying patient, **payment is required at the time of service.** Should you need to discuss this payment policy, you may contact our Business Office at 250-2010 prior to your appointment. Please note it is within our discretion to take current payments and apply them to existing unpaid balances or move credit balances to future appointments. If for any reason, you maintain an unpaid balance on your account and fail to work out a payment arrangement with us, after 90 days your account will be turned over to a collection agency, proceedings will begin and you will be discharged from our care. Accounts sent to collections will have a 30% collection fee added to the balance along with applicable attorney fees.

Identity Theft.....The Federal Trade Commissions, “Red Flag” rule requires health care providers to establish a program to prevent identity theft. As a result we will be asking all patients to provide photo identification when checking in for their appointment and will be taking a photograph to be used for the sole purpose of identification. If you are unable to provide us with proper identification at the time of your visit, we will need to **RESCHEDULE** your appointment.

Statement of Financial Responsibility

Insurance Coverage.* The service(s) you have elected to participate in implies a financial responsibility on your part. The responsibility obligates you to ensure payment in full of DENT fees. You are ultimately responsible for payment of your bill.

Due to the increasing complexity of insurance plans, DENT requires you to contact your insurer's Member Services for information on your coverage and out-of-pocket costs. For some services, DENT will collect a fee from you before the service is rendered. That amount will be credited against the cost of that service, but in many cases will not cover the full amount. Your insurance plan is the best place to find information on the ultimate cost to you.

You are responsible for payment of any deductible and co-payment/co-insurance as determined by your contract with your insurance carrier. DENT expects these payments at the time of service. Many insurance companies have additional stipulations that may affect your coverage. If your insurance carrier denies any part of your claim, or if you or your physician elects to continue past your approved service period, you will be responsible for your balance in full.

Your signature below will also authorize your insurer to pay any benefits directly to DENT, the full and entire amount of the bill incurred by you or the named patient, or if applicable, any amount due after payment has been made by your insurance carrier.

Co-Pay Policy. It is expected that patients will pay co-pays at the time the service is rendered for each visit, typically during check-in.

Cancellation / No Show Policy. DENT understands there may be times when you miss an appointment due to emergencies or other obligations. However, patients who fail to provide adequate cancellation notice, at least 24 hours prior to the appointment time will be assessed a \$50 reschedule fee (NOTE: \$100 for Sleep Center, Neuropsychology testing and VNG testing appointments). All assessed fees are collected at the time of scheduling the next appointment. Patients will not be able to reschedule an appointment until all fees are paid.

By signing below, you acknowledge that you have read the above policies regarding financial responsibility to DENT for providing health care services to you or the named patient and that you understand and agree to the terms described.
