PLEASE REVIEW AND SIGN OUR PRACTICE POLICIES

Insurance Information/Assignment of Benefits.....Patients are required to provide DENT with current and accurate insurance information at every visit. Your **FAILURE** to provide us with accurate information will result in a patient bill that you may be held responsible for. By signing below, you authorize DENT to furnish information to insurance carriers concerning your illnesses and treatments and hereby assign all payments for medical services rendered to you or your dependents to Dent Neurologic. Furthermore, you will be held responsible for any amount not covered by your insurance plan.

Co-Pay, Deductibles, POS Plans, Private Payments and Unpaid Balances.....In accordance with the provision of your insurance plan, you may be required to pay for a portion or all of your medical services. As a result, if you have a co-pay, deductible, or Point of Service Plan or you are a private paying patient, **payment is required at the time of service.** Should you need to discuss this payment policy, you may contact our Business Office at 250-2010 prior to your appointment. Please note it is within our discretion to take current payments and apply them to existing unpaid balances or move credit balances to future appointments. If for any reason, you maintain an unpaid balance on your account and fail to work out a payment arrangement with us, after 90 days your account will be turned over to a collection agency, proceedings will begin and you will be discharged from our care. Accounts sent to collections will have a 30% collection fee added to the balance along with applicable attorney fees.

Identity Theft.....The Federal Trade Commissions, “Red Flag” rule requires health care providers to establish a program to prevent identity theft. As a result we will be asking all patients to provide photo identification when checking in for their appointment and will be taking a photograph to be used for the sole purpose of identification. If you are unable to provide us with proper identification at the time of your visit, we will need to **RESCHEDULE** your appointment.

Practice Communication Information.....Patients in our practice may be contacted via phone, email, and/or text messaging to remind of appointments, payment, treatment, and/or other healthcare information. By entering information below, you consent to receiving these communications from us:

Send reminders/information (<i>select all that apply</i>):	<input type="checkbox"/> Voice () -
	<input type="checkbox"/> SMS/text () -
	<input type="checkbox"/> E-mail address: _____
	<i>Note: reminders not available via e-mail</i>
Preferred Phone Number (<i>select one</i>):	<input type="checkbox"/> Home <input type="checkbox"/> Cell <input type="checkbox"/> Work
Preferred Language (<i>select one</i>):	<input type="checkbox"/> English <input type="checkbox"/> Spanish
Best time to contact me (<i>select one</i>):	<input type="checkbox"/> Morning <input type="checkbox"/> Afternoon <input type="checkbox"/> Evening
<input type="checkbox"/> I do NOT wish to receive any reminders or communications from Dent as outlined above. I understand the cancellation and no show policy as outlined below.	

Medical Photography.....Medical photography taken for diagnostic purposes will become a part of your medical record and remain confidential in accordance with regulatory requirements and Dent policy. From time to time we may use de-identified medical imaging or photography for research or academic purposes. Dent retains all ownership rights in these programs.

Prescription Refills.....Patients must contact their pharmacies to request any prescription refills for medications that DENT prescribes. In turn, the individual pharmacies will contact our organization with those requests. Please allow 5 business days for medications to be filled. Refills requiring a prior authorization take a minimum of 10 days.

Appointment Cancellation and No Show Policy.....Your scheduled appointment is time reserved especially for you. **We require a minimum of 24-hours advance notice for cancellation or rescheduling of an appointment to allow us to offer this time to other patients.** Rescheduling fees are: \$100-Imaging, VNG, Neuropsychology, Sleep Studies. \$50-All other appointments.

General Consent to Treatment and Right to Refuse Treatment.....By signing below, I (or my authorized representative on my behalf) authorize DENT Neurologic Institute and its staff to conduct any diagnostic examinations, tests and procedures and to provide any medications, treatment or therapy necessary to effectively assess and maintain my health, and to assess, diagnose and treat my illness or injuries. I understand that it is the responsibility of my individual treating healthcare providers to explain to me the reasons for any particular diagnostic examination, test or procedure, the available treatment options and the common risks and anticipated burdens and benefits associated with these options as well as alternative courses of treatment.

In giving my consent to treatment, I understand that I retain the right to refuse any particular examination, test, procedure, treatment, therapy or medication recommended or deemed medically necessary by my individual treating healthcare providers. I also understand that the practice of medicine is not an exact science and that no guarantees have been made to me as to the results of my evaluation and/or treatment.

I have read and agree to all of the above policies. I understand that my failure to comply with any of these policies may result in discharge from the medical practice.

Statement of Financial Responsibility

Insurance Coverage.* The service(s) you have elected to participate in implies a financial responsibility on your part. The responsibility obligates you to ensure payment in full of DENT fees. You are ultimately responsible for payment of your bill.

Due to the increasing complexity of insurance plans, DENT requires you to contact your insurer's Member Services for information on your coverage and out-of-pocket costs. For some services, DENT will collect a fee from you before the service is rendered. That amount will be credited against the cost of that service, but in many cases will not cover the full amount. Your insurance plan is the best place to find information on the ultimate cost to you.

You are responsible for payment of any deductible and co-payment/co-insurance as determined by your contract with your insurance carrier. DENT expects these payments at the time of service. Many insurance companies have additional stipulations that may affect your coverage. If your insurance carrier denies any part of your claim, or if you or your physician elects to continue past your approved service period, you will be responsible for your balance in full.

Your signature below will also authorize your insurer to pay any benefits directly to DENT, the full and entire amount of the bill incurred by you or the named patient, or if applicable, any amount due after payment has been made by your insurance carrier.

Co-Pay Policy. It is expected that patients will pay co-pays at the time the service is rendered for each visit, typically during check-in.

Cancellation / No Show Policy. DENT understands there may be times when you miss an appointment due to emergencies or other obligations. However, patients who fail to provide adequate cancellation notice, at least 24 hours prior to the appointment time will be assessed a \$50 reschedule fee (NOTE: \$100 for Sleep Center, Neuropsychology testing and VNG testing appointments). All assessed fees are collected at the time of scheduling the next appointment. Patients will not be able to reschedule an appointment until all fees are paid.

By signing below, you acknowledge that you have read the above policies regarding financial responsibility to DENT for providing health care services to you or the named patient and that you understand and agree to the terms described.

Chronic Migraine Screener

What is Chronic Migraine?

Chronic Migraine is a condition defined as 15 or more headache days a month with each headache lasting 4 hours or more per day. At least half of the headaches should be migraine.

How to use this screener:

The following questions can help you and your physician understand your condition and help determine if you have Chronic Migraine. Being thorough about your headaches/migraines will help your physician determine how much of your headaches affect your daily life and help get you to a more accurate diagnosis and find treatment options that are right for you.

Personal Information

Name: _____

Date of Birth: _____

Important information before you get started

What are headache days?

It is important to understand the number of days you had *headaches* (including migraines) rather than the number of *attacks*.

- For example, you have a headache that starts on Monday and does not go away until Wednesday; it may be one attack, but that is considered 3 *headache days*

Remember to provide your doctor with an accurate number of **ALL of the days you experience pain of any kind.**

Are migraine days the same as headache days?

Some of your headaches may be a type of headache known as *migraine*. If you experience any combination of the following symptoms, your headache may be a migraine:

- Constant, throbbing pain felt on one side of the head (but can be on both sides)
- Sensitivity to light and sound
- Nausea and/or vomiting
- Headaches that get worse with movement (you may want to lay down)

Whether your headache is a migraine or not, it still counts as a *headache day*.

What if the headache gets better or goes away after I take medication?

You should also count days that you treated/resolved your headache/migraine with either an over-the-counter medication like ibuprofen or prescription medication like sumatriptan. These days are still considered as days *with* headache

Please complete this to see if you may have Chronic Migraines

1(a) How many days in the past month did you spend with a headache/migraine? (Include ALL days with any headache pain of any kind, even those you didn't feel you needed to take any medication for or only took an over-the-counter medication) _____ day(s)

1(b) How many days in the past month did you spend without ANY headache pain of any kind (headache-free days)? _____ day(s)

1(c) Subtract line B from 31 and enter the number: _____ day(s)

Regarding question 1 (a) or (c) was the answer 15 or more?

Yes or No

2 Did any of your headaches/migraines last more than 4 hours, if you did not treat them?

Yes or No

3 Have you ever been diagnosed as having chronic headaches (including tension-type or chronic sinus headaches)?

Yes or No

4 Have you ever been diagnosed as having migraines?

Yes or No

5 Do your headaches/migraines impact your daily life?

Yes or No

Rate the impact of your headaches/migraines on your daily life:

1 2 3 4 5 6 7 8 9 10
Mild Severe

How many days in the past month have your headaches/migraines severely affected your daily life?

_____ day(s)

6 In the past month, did you take anything to treat your headaches/migraines?

Yes or No

If "yes," how many days in the past month did you take something to treat your headaches/migraines (including over-the-counter drugs, prescription medication and/or vitamins/herbal remedies)?

_____ day(s)

Please list what you have taken:

Check here if you answered "Yes" to both questions 1 and 2 and at least one of the other questions.

Adult MIDAS (18 years of age and older)

The MIDAS (migraine disability assessment) questionnaire was put together to help you measure the impact your headaches have on your life *over the last 3 months* and to communicate this more effectively. The best way to this is by counting the numbers of days of your life which are affected by Headaches.

INSTRUCTIONS • Please answers the following questions about *ALL your headaches you have had over the last 3 months*. Select your answer in the box next to each question. If a single headache affects more than one area of your life (e.g., work and family life) it is counted more than once. Select zero if you did not have the activity in the last 3 months. There are no “right” or “wrong” answers so please put down your best guess.

For questions 1 and 2, **work or school** means paid work or education if you are a student at school or college. For Questions 3 and 4, **household work** means activities such as housework, home repairs and maintenance, shopping as well as caring for children and relatives.

1. On how many days in the last 3 months did you miss work or school because your headaches?

2. How many days in the last 3 months was your productivity at work or school reduced by half or more because of your headaches?

(Do not include days you counted in question 1 where you missed work or school.)

3. On how many days in the last 3 months did you not do household work because of your headaches?

4. How many days in the last three months was your productivity in household work reduced by half or more because of your headaches?

(Do not include days you counted in question 3 where you did not do household work.)

Patient Name: _____ D.O.B: _____

5. On how many days in the last 3 months did you miss family, social or leisure activities because of your headaches?

Enter the total number of days you entered in questions 1-5. This is your MIDAS level of disability.

Total

0 to 5 - MIDAS Grade I, *Little or no disability*

6 to 10 - MIDAS Grade II, *Mild disability*

21+ - MIDAS Grade IV, *Severe disability*

That Your Physician will need to know about your headache:

- A. On how many days in the last 3 months did you have a headache?

(If a headache lasted more than 1 day, count each day.)

- B. On a scale of 0 - 10, on average how painful were these headaches?

(Where 0 = no pain at all and 10 = pain as bad as it can be.)
